

**BOARD POLICY SERIES NUMBER: 2050**

**TITLE: BOARD WORK SESSION**

It is the policy of the board to hold an annual work session in the fall for the purpose of reviewing fiscal and budget considerations.

In addition, the board may have special work sessions to consider the following topics: boardmanship, strategic planning, capital planning, policy review, and collective bargaining.

Board work sessions are not limited to the above topics, and board members and administrative staff are encouraged to submit items to be included on the work session agenda on an as-needed basis.
