

**BOARD POLICY SERIES NUMBER: 5060**

**TITLE: ALCOHOL SERVICE**

It shall be the policy of Linn-Benton Community College that serving wine and/or beer to individuals 21 years or older as an adjunct to food services may be permitted by the Board of Education on a limited basis at functions held at the college. The intent of this policy is to permit service and teach by example the responsible use of wine and/or beer in appropriate social settings.

The service shall be carefully monitored by the president to ensure that all external rules, including those of the Oregon Liquor Control Commission, are carefully adhered to and only those forms of service covered by the college's liability insurance are permitted.

The administrative rules that govern alcohol service will be kept current with external regulations.

If wine and/or beer is to be served at an event sponsored or hosted by the Board of Education or by the LBCC Foundation Board of Trustees, the wine and/or beer shall not be served unless accompanied by a food order. Other service of wine and/or beer may be permitted at the college when the person or group serving the wine and/or beer first provides a certificate of liquor liability insurance that covers the event in question, and names the college as an additional named insured with an aggregate liability limit of \$1 million.

DATE OF ADOPTION: 10/19/88

DATE(S) OF REVISION(S): 06/20/90; 03/17/93; 03/12/01; 11/19/08
