

ADMINISTRATIVE RULE NO: AR 4035-01
RELATED TO POLICY SERIES NO: 4035

TITLE: COLLEGE ADVISORY COMMITTEES

Career and technical advisory committees have been established to advise the staff and the board concerning program curricula and the employment needs in various occupations. The committees are comprised of members of labor, business, and industry associated with the occupations; students in the programs; and recent graduates from the programs. Other advisory committees are established to advise departments, programs, or service units. Membership lists and minutes for advisory committees are maintained in the Academic Affairs Office.
