

**Non-Contracted Faculty Professional Development:  
Post-Activity Summary**

This summary of your funded activity will help the Committee assess the various ways in which non-contracted faculty use the information and skills gained through professional development. The Office of Staff and Organizational Development also uses this information to develop activities for others on campus. The information stays within the Committee and the Development Office.

Please summarize the outcome of your funded activity, by completing and **returning this form with your receipts** to Staff Development office in IA-232A.

**Post-Activity Summary must be turned in along with receipts to receive reimbursement.**
